### **About the Organization :**

Our organization established in 2002. This organization is owned & managed by a highly qualified spiritual master Vijay Kumar Sachdev, (67yrs old) having 25yrs of experience in treating various types of Diseases.

### **About our Master :**

Mr. Vijay Kumar Sachdev lived in the Himalayas with the Saints for 7 yrs. He leads a Healthy Happy & peaceful life.

A Multi faceted Radiant Personality & a Motivational speaker with 25 yrs of experience as a Consultant, Trainer & Treatment in Holistic Health Care , Stress Management, Natural Therapy & Mind control. A deep Passion for Holistic counseling, his Experience works as a catalyst, enabling one shift from core personality to desired personality.

He works to polish personalities of ordinary people so that they may lead exceptional lives of their choice. His open mindedness & the ability to accept other people's views, limitations, belief systems & cultural outlook without being judgmental - is probably his biggest strength. Working with a mix of conventional & non-conventional tools. He has a unique combination of a Coach, Counselor, Trainer & Healer.
